## The 6-Day Challenge

### Akashic Record Access & Closing Prayer

#### Opening Prayer

##### *Intentions for Accessing the Records*

I now call upon the highest, best, most loving beings of the light that can best support me now in preparing myself for this journey of accessing my Akashic Records.

Please help me remove what no longer serves me such as hidden beliefs, doubts, blocks, outdated programming, and any other limitations and interferences, as I access my Akashic Records today.

Please wrap me in an orb of white light and keep me guided, guarded and protected as I make this journey into the Akashic Realms.

And so it is.

##### *Access Prayer* (to be read 3x)

Divine masters of the Akashic Records, please help me to fully center myself in this present moment as I create this sacred space and prepare myself to access the akashic records for **(your name)**.

Divine masters of the Akashic Records, I ask that you show me what it feels like to be a clear channel to **(your name)** Akashic Records and guide me to receive the guidance, the insights, and the healing that is to my highest good at this time.

I now ask the divine masters of the Akashic Records to open the records for **(your name)** and to show me the truth of my soul.

#### Closing Prayer

Thank you, divine masters of the Akashic Records, for the unconditional love, the healing and the wisdom I have received today.

Please assist me in returning fully and completely into my human wholeness in this time and space. And assist me in integrating the insights I have received today by removing any resistance in trusting the guidance received.

I now ask that you close and lock the Akashic Records for (your name) for now. And so it is. Thank you, thank you, thank you.
